

HTRSA

Hamilton Twp Recreation Soccer Association
www.HTRSA.com

Dear Community Leader,

Soccer is the world's most popular sport and the primary goal of our program is to expose local children and teens to the values of organized soccer. Through HTRSA our youth learn not only the techniques of soccer but the life-lessons of teamwork, sportsmanship and community.

Located in Hamilton Township, NJ, our organization boasts nearly 1100 players per year engaging in over 900 games on our self-managed and lighted fields. We also provide a field house with concession and a small picnic area to create a family environment throughout the year.

Although we are one hundred percent staffed, coached, and administered by parent volunteers, we need the support of business leaders like yourself to keep the league fully funded to support the type of program the youth of our community deserve. Your generosity will help offset expenses such as uniforms, equipment, utilities and field maintenance.

Besides the exposure to over 2000 people passing through our complex on each game day, since we are a 501 (3)(c) organization, your sponsorship is tax deductible.

We offer a number of sponsorship options, ranging from team naming to field naming, to suit your giving level. I welcome the opportunity to speak with you further about our sponsorship program.

Kind Regards,

Heather Swartz
Sponsorship Chairperson
Parent Volunteer
